

# Scrip Program Reference Guide

The Performing Arts Boosters Scrip program is handled through Great Lakes Scrip Center ([www.glscrip.com](http://www.glscrip.com)).

Your account setup and shopping are done at [www.ShopWithScrip.com](http://www.ShopWithScrip.com).

## Overview:

- **Shopping for Scrip:** There are hundreds of retailers that offer scrip cards through this program – all easily orderable through ShopWithScrip.com. The cards you order will be available for pickup about a week after the order deadline, (usually the following Wednesday), immediately after school in the Chorus Room.
- **PrestoPay:** You can streamline the ordering process and avoid having to write a check by enabling PrestoPay (online payment). PrestoPay drafts your checking account for orders you make and charges a small transaction fee of 15 cents. Note that just like a bad check fee, if your bank rejects a draft to your account, there is a \$30 fee that will be charged to the PAB and passed along to you.
- **ScripNow! Brands:** There are many ScripNow! retailers who have linked electronically with this program, providing online scrip you can print right from your computer. If paying with PrestoPay, the entire process takes only minutes; so you can order the scrip, then print it out to pay in the store, or enter the scrip number as payment for an online shopping order (ex: Amazon, L.L. Bean, etc.) If paying with a check, the Scrip Coordinator will release your ScripNow! order once your check has been received.
- **Reload Brands:** There are some Scrip retailers who allow you to reload an existing scrip card that was purchased through the Scrip program. The card is reloaded overnight for orders placed by 3:30pm ET, so if you pay with PrestoPay, your card can be ready to use the next day. Reloads at the retail store or retailer website will not credit your student account.
- **MyScripWallet:** A mobile website offering a wide selection of electronically delivered products that lets you shop on-the-go and earn rebates on every purchase. Order electronic gift cards, reload physical cards, and in many cases redeem cards right from your phone! MSW is fully integrated with ShopWithScrip.com, so you only need one login and you can use your PrestoPay account in both places. MyScripWallet allows you to shop for scrip whenever and wherever you need to, no planning ahead necessary!
